

# Loktantric Sagun Phool Andolan!

Dear sisters and brothers,

Wish you all a Happy New Year, 2063!

*Every Nepali is bravely participating and is contributing in many ways to make this Jana Andolan (people's movement) a success and with this, the brutal suppression and killing by the security personnel is increasing too. Loktantric Andolan (People Democratic Movement) must continue till we achieve our goal otherwise people sacrifice will go in vain. Having faith in the power of flower and nonviolent, Indigenous Women Peace Network has launched Loktantric Sagun Phool Andolan.(People Auspicious Flower Movement). Please join with us.*

*You can join with us by doing any of the seven ways suggested. We will appreciate if you would let us know if you or your group is doing or is going to do any of the seven ways of Loktantric Sagun Phool Andolan.*

## What can we do with flowers?

1. Let us request our brothers and sisters to participate in the people's peaceful struggle for Loktantra (democracy ) by presenting flower as Sagun!
2. Let us present flower as Sagun to our brothers and sisters participating in the people demonstration to keep up the spirit and wish for success!
3. Let us request our brothers and sisters to face and confront with flowers!
4. Let us present Sagun flower to security personnel not to suppress the peaceful demonstration but to join us!
5. Let us visit injured bothers and sisters at home or at hospital with flowers for their speedy recovery.
6. Let us visit the family who has lost their family member in Janaandolan.
7. Let us visit those who are under various custodies and offer them flowers and thank them.

*Flower symbolizes non-violence and peace. Let us feel the power of flower and the power of non-violence!*
