

ACADEMIC WORKS AND SELECTED PRESS ARTICLES  
(New accessions, January- March 2020)  
Compiled by Karl-Heinz Krämer  
[Excerpt from the [complete literature index](#) of [Nepal Research](#)]

- Acharya, Bhanu Bhakta.** 2020. Mockery of press freedom: The year 2019 saw more incidents related to press freedom violation than in the past seven years. The Kathmandu Post, 23 January 2020
- Acharya, Tulasi.** 2020. Accept the criticisms: Government needs to understand that appreciation of different perspectives and criticisms can only help the government become more accountable. República, 29 February 2020
- Adhikari, Krishna P. / Gellner, David N.** 2019. International labour migration from Nepal and changes in inter-caste relations. Contributions to Nepalese Studies 46,2:307-331
- Adhikari, Mukesh.** 2020. Empower local health institutes: Instead of airlifting childbearing women from remote districts, the government should think of strengthening local health system which can save a myriad of pregnant and postpartum women . República, 27 January 2020
- Adhikari, Mukesh.** 2020. Health for all: Isn't it ironic that a resident of Rautahat dies due to lack of dialysis whereas a public hospital at the capital city performs international standard surgery? . República, 12 March 2020
- Adhikari, Mukesh.** 2020. Tackling the coronavirus outbreak needs a holistic approach: The need of the hour is to activate national preparedness along with international collaboration . The Kathmandu Post, 27 January 2020
- Amnesty International.** 2020. Human rights in Asia-Pacific: Review of 2019. London: Amnesty International
- Angbo, Anupama.** 2020. Hurdles to experience of a lifetime: With the official launch of Visit Nepal 2020, lack of proper infrastructure continues to be a major challenge for the government . The Himalayan Times, 12 January 2019
- Ansari, Mohna.** 2020. National Human Rights Commission appointees should be independent and competent: The commission is in danger of ending its term in disrepute, largely over its role in relation to transitional justice . The Kathmandu Post, 2 February 2020
- Arjyal, Hemant.** 2020. A win-win for Nijgadh?: Keeping the Landmark Worldwide Company's report under wraps does not help Nijgadh. Releasing it might do more good than harm . República, 15 February 2020
- Aryal, Kundan.** 2020. Gender Landscape In Nepali Media. The Rising Nepal, 6 March 2020
- Aryal, Kundan.** 2020. Issue Of Women's Empowerment. The Rising Nepal, 24 January 2019
- Aryal, Kundan.** 2020. NCP's Assurance To The Nation. The Rising Nepal, 7 February 2020
- Ayadi, Arjun Bahadur.** 2018. Dilemma and Factionalism in the Maoist Politics of Nepal . Journal of Political Science 18:1-24
- Bajracharya, Srizu.** 2020. Kathmandu's rivers are becoming violent—and are gradually vanishing: Buildings and roads have encroached on the floodplains and banks of the Valley's rivers and every monsoon, the rivers rise to take revenge . The Kathmandu Post, 11 January 2019
- Bajracharya, Srizu.** 2020. Once every five years, different Buddhist communities in Patan gather to put together some good karma: Samyak Mahadan, an alms giving festival supported by the Samyak Guthi, has been around for more than a thousand years . The Kathmandu Post, 25 February 2020
- Bajracharya, Srizu.** 2020. The forgotten town of Handigaun: One of the Kathmandu Valley's oldest urban settlements, Handigaun is now an almost forgotten destination, remembered only during its jattras . The Kathmandu Post, 7 March 2020
- Bajracharya, Srizu.** 2020. Traditional massage is based on ancestral wisdom—and science: The traditional oil care for new mothers and their babies has become more significant with medical professionals backing the practice . The Kathmandu Post, 2 January 2020
- Bajracharya, Srizu.** 2020. Women journos bring diverse perspectives, but their presence in newsrooms is sparse: It's time for the Nepali media to reflect on gender inequality in newsrooms and act to reverse the imbalance, women journalists say . The Kathmandu Post, 8 March 2020
- Baral, Bhim Nath.** 2017. Security Challenges of Small States . Journal of Political Science 17:1-17
- Baral, Bhim Nath.** 2018. Changing Dynamics of Nepalese Foreign Policy: Patterns and Trends . Journal of Political Science 18:25-45
- Baral, Bhim Nath.** 2019. Nepal-China-India: Prospects and challenges of trilateralism. Journal of Political Science

- Baral, Lok Raj.** 2020. Prognosis of democratic governance: Nepal has all the characteristics of bad governance despite the successful exercises of holding elections when needed. *The Kathmandu Post*, 16 March 2020
- Baral, Mukesh.** 2020. Will Covid-19 make us humane? The absence of positive cases in Nepal does not mean the absence of virus altogether. It could mean there are no enough tests performed to find the infected people . *República*, 23 March 2020
- Baral, Uma Nath.** 2018. Impact of Trade Union in the Hotel Workers . *Journal of Political Science* 18:143-166
- Basnet, Chudamani.** 2019. The Federal Socialist Forum: Incipient Middle Caste Politics in Nepal?. *Studies in Nepali History and Society* 24,2:355-380
- Basnyat, Prem Singh.** 2020. The war Nepal won: Nepali soldiers had already proved their mettle during the Sepoy Mutiny (1857) and World War I (1914- 18). Big powers of the day looked up to Nepal with awe . *República*, 23 March 2020
- Bastola, Rajesh.** 2020. Investment trends in Nepal: Foreign investment in the energy sector is comparatively small despite the great hydropower potential . *The Kathmandu Post*, 5 March 2020
- Bhadra, Chandra.** 2020. ‘Herstory’ repeats itself: The misogynic politics of all political parties mustered to make women the political underdogs of Nepal. *The Kathmandu Post*, 13 February 2020
- Bhandari, Kalyan.** 2020. Visit Nepal 2020 could be the biggest embarrassment for this government: The campaign target should be revised in view of the coronavirus outbreak and a certain drop in arrivals . *The Kathmandu Post*, 30 January 2020
- Bhattarai, Bishal.** 2020. Nepal is open for business. But where is the investment? Being one of South Asia’s smallest recipient of foreign direct investment, Nepal needs to improve . *The Kathmandu Post*, 14 February 2020
- Bhattarai, Chandra Prasad.** 2020. Nepal is ready to welcome tourists, but where will they come from? The country needs focused strategies for existing and potential source-markets. *The Kathmandu Post*, 24 January 2019
- Bhattarai, Dinesh.** 2020. Intelligence and Nepal’s foreign policy: Continued neglect of intelligence in foreign policy formulating process has helped foreign intrigues to, what BP Koirala warned in 1976, make “Nepal a center of international conspiracy” . *República*, 13 February 2020
- Bhattarai, Gaurav.** 2017. Discourse Analysis of Trilateral Partnership. *KMC Research Journal* 1,1:35-42
- Bhattra Bastakoti, Geeta.** 2020. The case for achieving gender parity: Formal structures like laws and policies play a decisive role in eliminating gender inequality . *The Kathmandu Post*, 10 March 2020
